ELECTRICAL INSPECTION POLICY

TO: All Third Party Electrical Inspection Agencies and Electrical Contractors

FROM: Findlay Township Building Inspection Department

Re: Third Party Electrical Inspection Agency Reporting Procedures

This letter is to inform all Third party electrical inspection agencies that effective January 1st, 2020 Findlay Township will require that all inspection reports be sent to the following email:

electrical_insp@findlaytwp.org

In an effort to keep up with the multiple projects on-going within the Township we are requiring that all reports be sent to the aforementioned email. The reports shall be submitted within 1 week of the inspection date. This will aid us in tracking the progress of the various projects. Required electrical inspections are those that are included in the Pennsylvania Uniform Construction Code.

Should you have any questions please feel free to reach out to Russ Collins, Findlay Township Building Code Official, or Jonathan Slair, Findlay Township Building Inspector at 724-695-0500. Thank you for your cooperation and understanding.
