

Township of Findlay

2021 Collection Schedule

Trash collection every Thursday (unless noted)

Recyclables every other Thursday (unless noted)

Please see below for your recycling collection week. Recyclables must be placed loose in your recycling bin. Please do not bag recyclables. **NO GLASS OR PLASTIC BAGS IN RECYCLE**

If a holiday falls on or before a Thursday, pickup for the week will be on Friday. If the holiday should fall on the weekend, your pickup day will not change.

Attention Residents of Findlay Township

Home Collection Program for Household Hazardous Waste (HHW)

As part of the residential solid waste contract with Waste Management, effective January 1, 2019, you will have a convenient new opportunity to dispose of your household hazardous waste (HHW) - safely, easily and responsibly. Introducing the **At Your Door** Special Collection Program, a residential service offered by Waste Management to provide year-round collections for you.

This service is in addition to your waste and recycling service provided by Waste Management and there is no additional cost to participate.

1. To Participate, you must set up a collection appointment.

There are three ways to schedule a collection:

- Go to www.WMAtYourDoor.com
- Call 1-800-449-7587
- Email AtYourDoor@WM.com

Our representatives will guide you through the steps toward a safe and successful collection. You will be asked several questions, including your address and the type and amount of HHW available for the pick-up. You will be provided a convenient collection date and information about where to place the containment bag for collection. A kit will be sent to your home in plenty of time for you to gather and pack your HHW.

2. Preparing for collection

The collection kit includes an instruction sheet and other items to help pack and secure your household hazardous waste (HHW). Please read the instruction sheet included in the kit.

3. HHW is collected

On the scheduled date, the customer service technician will collect HHW directly from your home. They will sort and pack the HHW for proper transportation, recycling and disposal. Participants will receive a postage-paid survey card to complete and mail back to help track the program.

4. You have more HHW than will fit into the Kit?

Remember, this service is available year-round. Just schedule another collection! Small quantities may be combined with your neighbors. Representatives are available from Monday - Friday 8:00 AM - 8:00 PM ET. Leave a message after hours, weekends and holidays. Email us at: AtYourDoor@WM.com

The first chart shows the typical HHW we collect that must be placed inside the Kit for collection, and the chart below that shows the HHW that may be placed outside the Kit.

Examples of Acceptable HHW that MUST be placed <u>INSIDE</u> the Kit Bag					Unacceptable Waste
